Dear Aarushi,

Congratulations, you are being offered admission to the Schulich School of Business! Please read the attachment for all the details.

As an international student, there may be important immigration and [travel information](#) for you to consider when accepting this offer, especially in light of the COVID-19 situation. You will require a [study permit](#) to study inside Canada and you should apply early, following the [COVID instructions](#) from the Government of Canada.

You are strongly encouraged to connect with Schulich's immigration advisor to ensure you understand your next steps. Please join a [Study Permit webinar](#) or drop-in to an [online Q&A session](#). Please also watch your email for important information from our International Relations team.

To understand your next steps, get information on course enrolment, and other important details for new students leading up to the start of your program, please visit the [New To Schulich](#) website.

Congratulations once again on your admission to the MMgt program for Fall 2023. I look forward to welcoming you to Schulich.

Sincerely,  
Michelle Hughes
